

Welcome to your new workplace.

Here is important information you need to know.

715 P Street, Sacramento, CA 95814

At the opening of the building in July 2021, the California Natural Resources Headquarters Building houses 12 CNRA affiliated organizations and their associated 4,200 staff members.

Building Hours of Operation

The building's normal hours of operation are **6AM to 6PM, Monday through Friday**, excluding holidays. Facilities Management Division (FMD) and security reserve the right to close and lock all entrance and exit doors of the building after hours on Saturdays, Sundays and legal holidays, and during such other times as FMD and security may deem necessary.

Agency Affiliated Organizations in our Headquarters

- CAL FIRE
- California Energy Commission (CEC)
- California Natural Resources Agency (CNRA)
- California Water Commission (CWC)
- Delta Stewardship Council (DSC)
- Department of Conservation (DOC)
- Department of Fish & Wildlife (CDFW)
- Department of Parks & Recreation (DPR)
- Department of Water Resources (DWR)
- Fish and Game Commission (FGC)
- Office of Energy Infrastructure Safety (OEIS)
- Wildlife Conservation Board (WCB)

Badge Access System

The facility is designed with an access badge (Key Card) system at building entrances, turnstiles, and tenant floor areas. Each employee must present their badge when accessing the building or at any time as requested by security personnel.
